

INTRODUCING THE SKYBAY

THE FIRST AND ONLY 60,000 LUMEN FLUORESCENT HIGH BAY

This fixture was designed for optimum performance utilizing either T5 or T8 lamps. The Sky Bay's heavy duty 20 gauge housing exceeds code gauge steel and all components are post painted with a glossy, high reflectance white paint. Sockets include secure positioning rotating collars.

Primary applications include:

- 1,000 Watt Metal Halide Replacement
- Warehousing
- Commercial Facilities
- Open and Stack Aisle Applications

The superior beam spread optic covers from narrow aisle lighting to open area general lighting. The Sky Bay is available using a 95% reflectance specular aluminum (SA) Miro®4 or a 92% reflectance white aluminum (WA) reflector, which have a 25 year warranty.
